Proud Community

There are three main committees which deal with parish council business. They are the Full Council, which all parish councillors are expected to attend, a Finance and Planning Committee (F&P) which is made up of a number of parish councillors, and the Recreation and Environment Committee (REC), also made up by a number of parish councillors. The Chairman of the Parish Council is Cecil Macaulay pictured (centre). The F&P is chaired by David Stabler (left), while Charles Allum (right) chairs the Recreation and Environment Committee.

Committees are held on a regular cycle, with Full Council meetings on the third Tuesday of each month, F&P on the first Wednesdays each month, and the Recreation Committee on the second Tuesday of each month. **There are no meetings in August.**
